Being a senior and looking forward to graduation, makes it hard to believe that our twelve years of hard work is nearly over.

The Trojan's first match of the season turned out to be a close, exciting victory. Outscoring the Cairo Camelot Knights, by two points, 71-69, the Trojan team cleared the pathway for the start to a successful season.

Winning the game was only the beginning of excitement which was to follow because it contained Crab Orchard's homecoming. What a night it turned out to be!

Coach Powers

Coach's Comments:

Take time and congratulate a Trojan. This team provided us with many thrilling moments during the season. A look in the newspaper would find them in the top ten in Southern Illinois on defense and offense at various stages of the season. Hard work and team play led to their winning season, but winning alone is not the true measure of success. The pride and satisfaction of doing their very best to make our Trojans big winners.

With only three years experience our Varsity team can be very proud of their .500 season. We faced some stiff competition with larger schools, but the girls didn't back down. They stayed in there and showed our competitors what it means to come form Crab Orchard.
